

# IPAD CASE STUDY

PROVIDING INNOVATIVE EVENT TECHNOLOGY SOLUTIONS

## CHALLENGE

One World Rental were tasked with delivering **50 iPads** with pre-loaded content to **25 different APAC destinations**.

These included remote destinations such as:

- ✓ New Caledonia
- ✓ Vanuatu
- ✓ Samoa
- ✓ Manila

The brief was to deliver uniform equipment to corporate training sessions, where personalised applications and settings could be utilised to provide engaging content.

## SOLUTION

One World Rental acquired the relevant permits for the required equipment and handled all transport and logistics for the end client.

## RESULT

The project was a huge success with a similar order being discussed for the EMEA region next year.
